

OpenO&M/MIMOSA and PCA Forum – Americas 2011

Chevron

3901 Briarpark Dr. Houston, TX 77042, USA

February 22nd through Feb 24th, 2011

OpenO&M/MIMOSA and PCA invite you to attend the OpenO&M/MIMOSA and PCA Forum – Americas 2011. The PCA Forum will be hosted by Chevron at Chevron Office, Briar Park office in west Houston, February 22nd through Feb 24th, 2011.

The Forum will feature presentations and discussion from both owner/operators and suppliers identifying key business requirements and solutions leveraging open, supplier neutral standards, with a focus on the benefits of using OpenO&M and ISO 15926 in coordinated fashion.

Key themes:

- An integrated approach Operations and Maintenance Management incorporating Management of Change and Operational Risk Management
- Perspectives on Sustainable Interoperability and Life-cycle Engineering
- The roles of key standards -ISO 15926 and OpenO&M/MIMOSA usage and implementation

The event can accommodate up to 70 people and will consist of several simultaneous sessions starting Tuesday at 1:00 PM on the 22nd and ending in a joint MIMOSA/PCA conference on the 24th.

FIATECH board and member companies are also invited to this event.

Sessions

- Joint Workshops
- OpenO&M/MIMOSA Workshops
- PCA Special Interest Group (SIG) / iRINGUserGroup Workshops
- Joint Conference

Hotels

We have selected the Hilton Garden Inn Houston Westbelt, located at 6855 West Sam Houston Parkway South as our main hotel for this event. They are providing us with a negotiated rate of \$107.00 per night for the nights Feb 21-24. The room block will only be held through Feb 11, so please get your reservations in early.

RESERVATION PROCEDURE - INDIVIDUAL CALL-IN: Please advise your attendees to call the Hotel for reservations at 713-270-6100, 1877-STAY-HGI, or book directly on-line via our website www.houstonwestbelt.hgi.com. To receive the contracted rates on-line, the attendees should identify the group as “MIM”. **All reservations should be made by [February 11, 2011], the cut-off date; after this date they will release the remainder of our guest room block.** Additional reservation requests will be honored on a space and rate available basis.

Note: recommend a car rental at the airport when you arrive to use during your stay in Houston.
