

## PCA and MIMOSA Invited Owners / Operators Forum – Americas 2013 Houston, March 21<sup>st</sup>, 2013

MIMOSA and PCA invite you to attend the PCA and MIMOSA Invited Owners / Operators Forum – Americas 2013. The Forum will feature presentations and discussion from owner/operators and invited guests (principally EPCs and standards team leaders as well as FIATECH) identifying key business requirements and solutions leveraging open, supplier neutral standards, with a focus on the benefits of using OpenO&M/MIMOSA and ISO 15926/PCA Reference Data Library in coordinated fashion.

### Key themes

- Interoperability requirements
- Interoperability standards - usage and implementation
- Cross domain, company and organization collaboration

### Sessions

- Owner/Operator Forum by Invitation, March 21<sup>st</sup>, hosted by BP, 737 North Eldridge Parkway, Houston TX 77079

#### *Recommended Attendees*
